MIXED LOTS OF HYBRID SEEDLINGS

These are plants of which we have too few of a cross to include in this list. Included are colored hybrids, whites and whites with colored lips for flowering at various seasons of the year.

2½ & 3" pots \$2.50 each. 3½" pots \$3.00 each. 4" pots \$3.50 each.

CONDITIONS OF SALE:

1. Cash with order, no C.O.D.'s. Payment should be made by check, cashiers check, money order, or by currency when sent by registered mail.
2. Customers living in Missouri should add 2% sales tax to all orders.
3. All plants unless otherwise listed are established.
4. No orders for less than \$5.00 accepted unless \$1.00 extra is included to cover packing costs.
5. All prices are subject to change without notice.
6. All prices are net, f.o.b. Kirkwood, Missouri.
7. All of the plants listed are in stock at the time of printing this list; however, they are all subject to prior sale. When ordering please if possible list a second choice, as the stock of many species and hybrids is very limited.
8. All plants will be shipped via railway express collect, unless we are otherwise instructed.
9. All plants are carefully packed and should arrive in good condition; however, we are not responsible for their safe arrival. All plants that are shipped by railway or air express are fully insured and once accepted by the carriers, they are responsible for delivering the plants in good condition. Plants should be examined carefully upon their arrival, and if there is the slightest indication of damage a claim should be filed immediately with the express company. The express company must see the plants immediately to have a claim considered. Parcel post shipments cannot be insured against loss or damage.
10. When sending plants by parcel post we will prepay postage as a service to the customer. Prompt reimbursement of these charges will be appreciated.
11. All established plants will be shipped out of pots. This reduces weight and the shipping costs. Customers wishing large plants, those in 5 in. pots or larger, left in pots should add 50¢ extra per plant to cover additional costs of packing.
12. No shipments will be made during the month of July.

OUR GUARANTEE:

1. All species plants unless otherwise stated are guaranteed to be of flowering size, in good condition and true to name as labelled by growers or exporters.
2. Our liability, in all instances, is limited to the purchase price of the plants. We give no warranty, express or implied, as to the productiveness of any plants we sell and will not in any way be responsible for the crop.

MALATHION - 25% Wettable Spray Powder. A new spray for aphids, thrips, soft brown scale, mealy bugs and non-resistant red spiders. Relatively non-poisonous. With orchid plants best results have been obtained in using this powder at the rate of $1\frac{1}{2}$ lb. per 100 gals. of water. Better results have been obtained from the wettable Malathion than from the emulsifiable Malathion. 1 lb. container \$1.65, f.o.b.

D.D.T. - 50% Wettable. Controls thrips, midge, leaf rollers, mealy bugs, leaf tiers, aphids, leaf hoppers, white fly and many other insects. 1 lb. container 80¢, f.o.b.

ARMITE - 15% Wettable. Controls many resistant types of mites which other sprays do not kill. 1 lb. container \$1.65, f.o.b.

FOGG-IT NOZZLE. Breaks water into a fog-like mist. Fine for watering community pots & seedlings in individual pots. \$1.69 each, postpaid.

WATER BREAKER - No. 400 Drumm. Breaks solid stream of water into 400 tiny streams concentrated in a small area and reduces the pressure so that plants may be watered without damaging them or washing them out of the pot. \$1.50 each, postpaid.

MONARCH GREENHOUSE FOGGERS. For increasing greenhouse humidity. Uses 1 gal. of water per hour at 25 lbs. pressure. May be connected to $\frac{1}{2}$ " pipe or $\frac{3}{8}$ " copper tubing. \$1.75 each, postpaid.

MONARCH LINE STRAINER. Although the Monarch Fogger has a built-in strainer, it is most important that no solid material be permitted to pass through & clog the tiny opening in the fog nozzle. $\frac{1}{2}$ " \$12.75 each, $\frac{3}{4}$ " \$13.75 each, postpaid.

SKINNER HUMIDIFYING NOZZLE. For increasing greenhouse humidity. Uses 3 gallons of water per hour at 35 lbs. pressure. 95¢ each, f.o.b.
